 This cock was named by Bill Richardson of Hofken International. He wanted this cock so bad he traded Brad Laverne (after whom this pigeon was named) for the very famous "Bill's Pick". He has been a super addition to the Hapyco Lofts.

 Most extreme performer Shewmaker has ever had in over 10 years of contemporary group testing. "The Freak" was twice 1st on 2 extremely tough tests and with a fast race time. The tests were the first 2 times the group had to cross the 9000 foot Sierra Mountains and over half the birds were sadly lost (& there were very few dav birds) in each race.
